## **NOTICE: PRICE INCREASE EFFECTIVE MARCH 9<sup>TH</sup>, 2026**

Wednesday, January 7, 2026

To our valued Clients,

The Castle Team would like to sincerely thank you for your continued support and loyalty to Castle Access Panels & Forms Inc. We truly appreciate the trust you place in our products.

We have worked diligently to maintain consistent pricing since July 2024. However, due to ongoing increases in operating costs as well as increases in material and manufacturing costs from all our vendors, we are writing to formally notify you of an upcoming price adjustment to our access panel product line, effective **MARCH 9<sup>TH</sup>, 2026**.

The upcoming increase will be as follows:

- **5% increase** on all our pop-out & hinged products, both standard and custom sizes

As in the past, we have provided a further discount for orders with a minimum quantity of 75 pieces of mixed sizing which we will continue to honour.

If you wish to place orders prior to the **March 9<sup>th</sup>, 2026** price increase, please note that lead times cannot be guaranteed at this time.

Please note that any quotes provided before the March 9<sup>th</sup> price increase will be valid until the expiration date specified on the quote which is normally 1 month, unless otherwise specified.

For OEM customers with **designated or negotiated price lists**, updated pricing will be issued accordingly **prior to the effective date**, allowing sufficient time for review and internal updates.

If you have any questions regarding this price adjustment or your orders, please do not hesitate to contact us. We sincerely appreciate your continued partnership and understanding as we remain committed to providing you with high-quality products and reliable service.

Warm Regards,

Joey Rea
