

## FASTER, CLEANER CODE COMPLIANCE – NO MUD REQUIRED

- Firestopping has never been faster – Fire Tape installs easily with no mud, no drying time and a clean, dust-free finish
- 1- or 2-hour rated and approved for walls, ceilings and floors\*
- Ideal wherever there's a Level 1 finish (above ceiling grids, elevator shafts, engineering rooms and more)
- Combine Fire Tape with your favorite Trim-Tex beads!
