

QUICK, COMPRESSIBLE FIRESTOPPING

- Hotrod Type-X is comprised of red compressible foam (available in either $\frac{1}{2}$ "x1" or 1"x1" sizes) attached to a strip of innovative intumescent tape, making it fast and easy to firestop even the most hard-to-reach areas
- Combine Hotrod Type-X with Trim-Tex's Flat Deflection Bead for a versatile solution that pairs the firestopping foam's simple installation with the flawless finish of the flexible vinyl bead
- Hotrod Type-X is sold in a rolled form, with up to 200 feet of firestopping power per box, available with or without pre-attached double-sided tape
