

SUPER FAST, SUPER EASY, SUPER SEAL-X

- For a flawless finish that complies with recent building code requirements, the fire rated Super Seal-X is the quickest, easiest way to seal off window mullions from the spread of fire, smoke and sound
- Its flexible bubble gasket forms a tight, consistent seal against uneven surfaces, and eliminates caulks while preventing unsightly cracks in these movement-prone areas
- Available in two colors: pink for easier identification by code compliance inspectors, and black for a less noticeable aesthetic
